

## TVPG MEMBERSHIP

The Thompson Valley Potters Guild is a not-for-profit organization with a membership fee due and payable at the September General meeting each year. Membership is open to anyone with basic skill levels. We endeavour to bring together potters and ceramists in the Thompson Valley area for mutual advantage, improvement of skills and education, and will collaborate and affiliate with other groups of potters and artisans wherever possible.

### Your membership entitles you to:

- early placement in sponsored workshops
- purchase clay and supplies through our bi-annual orders
- access to books, publications and DVD's in the Guild library
- put your pottery in any Guild sale – new members' work must be juried prior to their acceptance into any Guild sale or exhibition
- have a link to your related website/blog on the Guild website
